

Advantages of Premium Boarding with Shetland K9 Care

Your pet is part of your family and when staying with Shetland K9, they will become an honorary part of ours! No cages or loud kennel atmosphere. Your best friend will enjoy safe, secure & comfortable household living, reducing both their anxiety & overall stress level while their favorite people are away on business or vacation.

Amenities

- Complimentary pick up & delivery services available
- Naps on dog beds, padded open crates and couches are very much encouraged!
- Minimum of two walks per day with distance determined by guests' energy levels. One walk may consist of a field trip to local park (weather & schedule dependent)
- Homemade and/or regular dog snacks served daily. Health in mind, probably not as many as they would like!
- Real chicken or liver bites as reward treats for positive training.
- Outdoor covered deck area for fresh air lounging with containment gate for safety.
- Yard & indoor play with tons of dog toys, balls & frisbees to choose from.
- Instagram posts & videos of your dog having a relaxing & fun time! Text updates are available if requested.

Safety

- Boarding is limited to established or vetted Shetland K9 clients only. Dog's temperament, house training and overall behavior must be approved prior to accepting booking.
- No more than three guests per day will be scheduled, ensuring safety & excellent care is given to each guest.
- Must pass a meet & greet with my personal dog and Shetland K9 Activities Director Jake.
- Dog gates can quickly section off areas to keep animals safely separated if a problem should arise.
- Feeding is done with each guest securely in a separate area to eliminate any possibility of food aggression issues.
- Dogs will never be unattended in outside yard area for any reason.
- Access to home with any guests' present will be done through garage only, creating a "sally port" greatly reducing the opportunity for even the fastest & sneakiest guest to escape.
- Maximum amount of time dogs will be left unattended will be no greater than 3 hours. Guests will be individually sectioned off to ensure safety. Crate trained dogs can be crated if desired. (36" x-large crate is maximum size available)

Requirements

- Enough food + 1 extra day's serving must be supplied for your dogs stay. Dietary change along with ant stress from their owner's absence can cause digestive issues.
- Proof of vaccinations including Bordetella required prior to booking & must sign Veterinary Release Form
- **Payment in Full is expected at the beginning of your dog's stay. Cash, Venmo, PayPal or check.**
